Re: Minsky v. 411 Rogers Avenue, LLC, et al.  
Civil Action No. 13 Civ 5332 (JBW)(SMG)

Dear Judge Weinstein:

I represent the plaintiff Shalom D. Minsky in the above entitled matter.

There are pending four motions for summary judgment against the plaintiff, the last of which was filed August 7, 2015.

I have not been able to complete plaintiff's responses which are due today. I respectfully request an extension of time to August 26, 2015.

Thank you,

Sincerely,

/s/ Tedd Blecher
